

CostSmart's Services: **Specialised Sourcing + Brand Management**

We can source ANYTHING + EVERYTHING. CostSmart will help you remove links from your supply chain to maximise efficiencies and decrease costs. Our sourcing and procurement specialists can also assist with the latest marketing trends, brand compliance and which promotional and branded products are the best fit for your project and budget.

Save time by asking us to source ANY of your products. CostSmart's procurement and negotiation skills enable the sourcing of specialty items for your business, specific to your needs. With many years of experience, a high attention to detail along with quality assurances, CostSmart are well positioned to acquire just about any product on the market.

Whether you need **print or branded merchandise** for a campaign, event or in-store promotion, CostSmart can manage the project from start to finish. We will look after everything from supplier sourcing, quotes, the handling of mail-outs, POS installations, online order fulfillments across multiple sites and campaign delivery. Additionally, our managed services are teamed with a fully **customisable eStore solution** that will simplify and streamline your company's ordering and purchasing processes.

“ CostSmart was tasked with sourcing x12,500 high quality 588 page hardcover books and send to USA and Australian destinations. Their sourcing team completed a fantastic job and saved us a great deal of time and money by cutting links in the supply chain.
- General Manager International Marketing - Brickworks ”

Head to our website to learn more about how your business can benefit from CostSmart's **Specialised Sourcing + Brand Management.**
